May 18-21 2009 held several professional development opportunities at the Spring Academy: Prevention and Treatment Exchange that was held at the Grand Sierra Resort in Reno, NV. Over 200 attendees heard inspirational key-note speakers and had their choice of attending:

- The General Track, with a choice of over 20 topics;
- The Substance Abuse Prevention Specialist (SAPST) Track;
- The Motivational Interviewing Track;
- The NAMFT Sponsored Track;
- The Clinical Supervision Track.

This was a great way for earning continuing education units in multiple disciplines, looking at the latest support materials and networking with colleagues from across Nevada and beyond. Conference handouts are available at: <http://casat.unr.edu/sapte/springacademy.html>.

The NPRC was a vendor at the event and had a wonderful time talking to participants from all over Nevada and other Western states including Arizona, Alaska, and Idaho. If you are interested in obtaining copies of the materials available at our booth, please contact us and we will happily get you a list.
